But naught there is to share with any sacrifice
Man pays to knowledge, noble, human and divine.*

*Beloved school of Bexley, we

Eternally shall be your stand
Above all others in this land.
And may you help us find the way
Through all of life, not for one day.
And help us that we may not shirk
Our duty in life's lasting work.
Enclose our secrets, oh ye walls!
Forgive us, Bexley, if we fall.
Hardship will but strengthen us

CLASS SONG—1935

*Bexley we are leaving
We are grieving we must part—
Farewell, Bexley High.
We shall hold you
E'er enfold you;
Deep within our hearts
Thy memories lie.
We shall ever yearn,
To you we'll turn
In coming years.
Deep our parting sigh—
Tho' we'll be gone
Yet still linger on,
Fond dreams of thee, Bexley High.*

(Music by CLARENCE ISAAC, '35)

LAST WILL AND TESTAMENT OF THE CLASS OF '35

BE it remembered: That we, the Senior Class of '35, of the City of Bexley, County of Franklin, State of Ohio, being of sound mind, do, of our own free will, make this our last will and testament, in the following manner:

"To the present and future students of B. H. S. we bequeath our 'apartment,' located on the second lot north of Fair Avenue, on Cassingham Road, as follows:

"The class of '36 is to inhabit the first floor in conjunction with the freshmen, so that it may conveniently look down upon them with scorn.

"The class of '37 shall animate the library and the adjoining rooms.

"To the class of '38 we leave the 'Hall of a Thousand Odors.'

"Also to the students, present and future, we leave a legacy as rich as the coffers of Castle 'Munchausen,' but one slightly infirm through tackling a Herculean task—(a summer's rest will bring 'it' around)—the fine family of tutors located in our 'apartment.' Since we love you, students, and since we believe that hard labor produces the best in everything, we hope your 'rich legacy' begins your labors early and never lets up.

"To the future proponents of 'Hoel-ism' we leave our deepest sympathy. Enough said!

"Because, teachers, we have appreciated your faithfulness, too, and because you have respected, moreover, our cause, namely, 'education without slavery,' we bequeath to you the following articles:

"To Mr. Field we leave our I. O. U. notes collected during our high school career—enough in value to purchase a new Dusenbergs—if they can be collected.

"To Mr. Ferbrache, a duck that doesn't belong to someone else.

"To Mr. Kefauver we bequeath a hydrogen explosion. This, if we remember right, will be your first; we hope it isn't your last also.

"To Coach Smith we wish to will government aid, so that he may buy a carload of spinach for his next year's basketball team.

"To our dear Miss Selbach, professor of 'lit,' we will our appreciation of poetry and our knowledge of punctuation. (Feel any richer? You ought to; you gave it to us.)

"To Mr. Dieterich we bequeath the services of our indispensable **aide d3 camp**, Miss Waddell.

"The executor of this will shall turn over the class treasury funds to Miss Hamann, to be used for a world trip, provided that she promise to devote more class time to informal discussion.

"To Mr. Kessler we bequeath this suggestion—gratis—that he procure for his office an adding machine to be used by those with a detention complex. This will save you much time, for each person would be glad to add up his own list.

"And to Miss Bethel we bequeath a carload of typing machines that can spell correctly.

"The following students wish to make the following testaments:

"I, Barbara Clouse, Queen of Home-Coming Day, leave my crown and bouquet of chrysanthemums to any blond 'heir' apparent."

"Here is a family affair:

Membership is based on four things: scholarship, service, leadership, and character. The members are selected from the upper third of their class in scholarship, and each year fifteen per cent of the senior class may be admitted.

Faculty Advisers	Miss Marion Thomas, Supt. H. C. Dieterich, Russell E. Kessler, principal

THE Student Council is organized each year "in order to develop a more perfect school, to promote and insure student cooperation with the faculty, and to create a better school spirit."

The council consists of the president, vice-president, and secretary of the school, representatives from the home rooms, and the faculty advisers.

The representatives are: seniors, Jack Deering, Wendell Knode, and Abner Yassenoff; juniors, Dayton Henceroth, Fahn Silberstein, Bill Sodt, and Lawrence Essig; sophomores, Jack Bradner, Virginia Wright, Ruth Foster, and Travers Nelson; freshman, Bob Case.

This year the council prepared Christmas baskets for the poor and sponsored a school dance and a marionette show. This organization was in charge of the sale of season tickets for the school athletic contests and was instrumental in boosting the basketball team. It was also responsible for chapel programs presented by the various classes. These were among the outstanding services of the council this year.

COACH SAYS - - -

THE Blue and White teams of 1934-35 won only one major sport championship and only one minor sport championship, which is a little below par as established by previous Bexley teams. However, the track team was runner up to Delaware, and the baseball team is one of the best in Bexley history. They won the baseball title by defeating Circleville and Westerville, although there is no recognized championship because all the schools do not have teams.

The golf team is above average, and the tennis team is excellent. All in all, we are proud of the accomplishments of the Lion teams.

The football team, with a very poor outlook at the beginning, surprised its most ardent supporters by losing only to North and Zanesville, and by winning the C. B. L. championship and the Little Three championship too. In the league, the Lions were tied only by Westerville, and downed all other opponents. It was truly a great football team.

The basketball prospects looked very bright at the outset, but turned out to be quite an unlucky and disappointing team, by losing eleven and winning only seven. They lost eight and won only two in the league, and finished tied for the last place with Marysville.

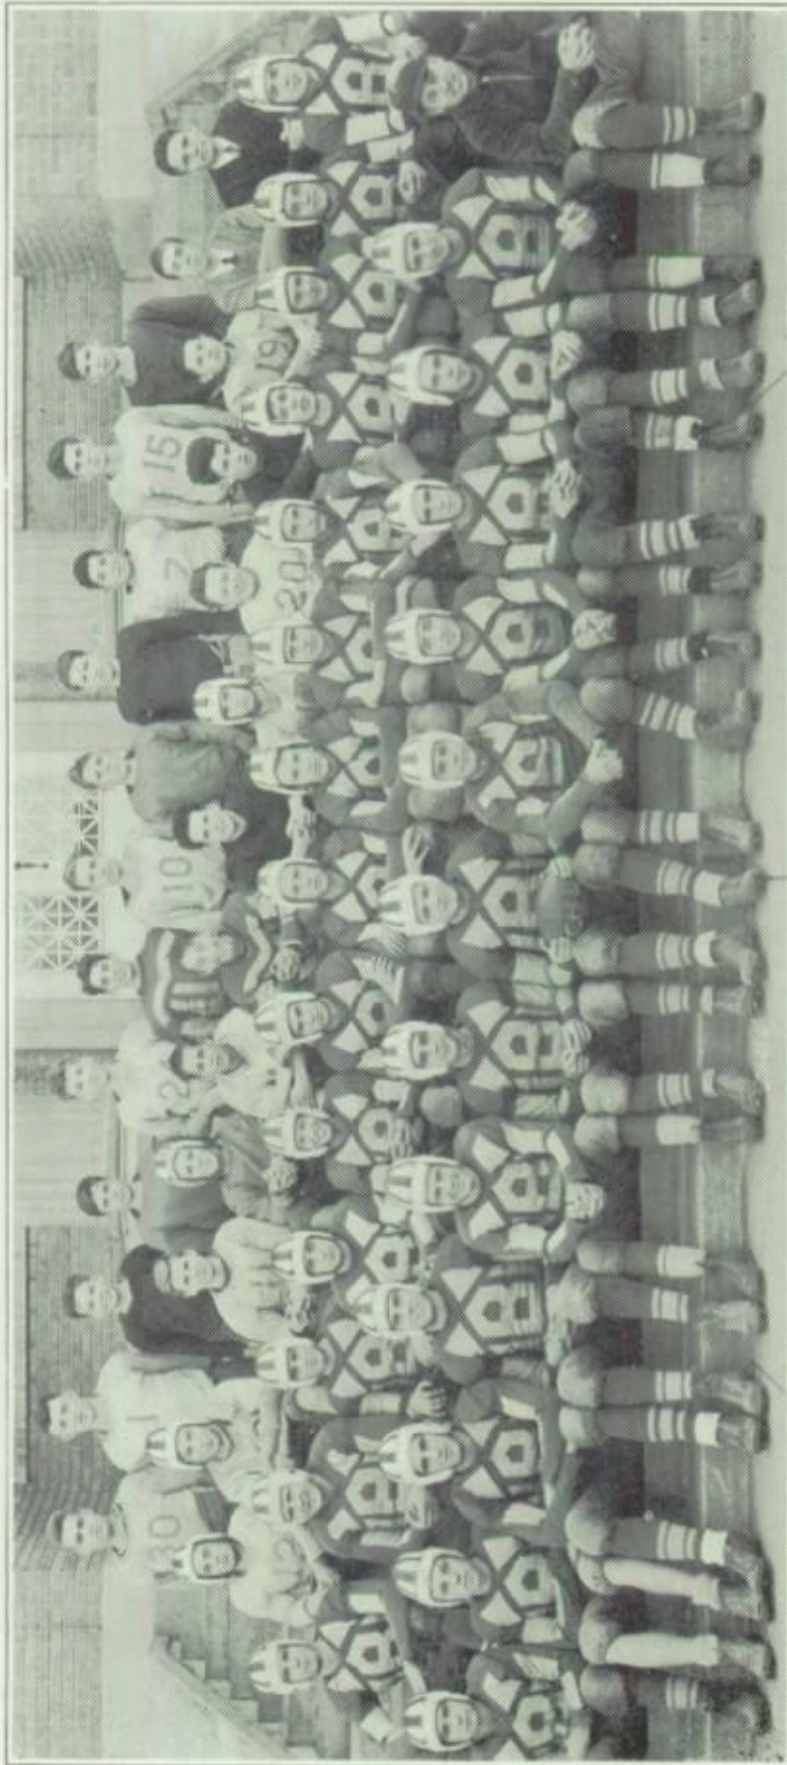

The track team beat Westerville 65 to 64 and was runner up in the league meet to Delaware. They made 11 points in the district meet, but were defeated by a strong outstanding Arlington team. In a triangular meet with Circleville and Chillicothe, the Lions finished only eight points behind Chillicothe, who were easily district champions in their district. The team was well above the average, despite the weather handicap this spring.

The baseball team is the best to represent Bexley since 1928, and at present has won six and lost four, and promises to finish the season with a splendid record.

The swimming team was fine but did not get into much competition. The golf team was about the average, and to date has won four and lost three, and finished third in the league matches.

The tennis team was very good. Jack Kull was runner up in the district championship.

By glancing at the above records, it can easily be seen that no team but the basketball squad finished with a percentage less than .500, and that is an enviable record; while the football, baseball, and tennis teams were outstanding.

FOOTBALL

THIS YEAR two championship flags proudly floated over the Lion football camp. This is the first year that Bexley has gained undisputed first place in both the Central Buckeye and Little Three Leagues.

In the Central Buckeye the Lions won four games and tied the one with Westerville, but this game had no effect on the final standing, for Westerville was later beaten by Marysville by a one point margin. Westerville was the runner-up in the league, with three wins, one loss, and one tie.

In the Little Three the Lions added Upper Arlington to their string of victims after beating Grandview, to take first place in this mythical league. Grandview took second by right of a win over Arlington.

The Lions started the season off right by taking the opening game from Lancaster St. Mary's on Bexley's home field, 12-0.

The following Friday night, the team minus the services of Johnny Miller, star center, journeyed to North. The only good point of this game, from Bexley's standpoint, was the experience gained, as the team suffered a 32-0 defeat to the fast, hard-hitting North team.

On the following Saturday, the Lions incurred their only other defeat of the season, when they lost 12-0 to the Lash High team from Zanesville on a rain-soaked field.

Westerville led the Bexley team for the first three quarters, 7-0, only to have the Lions come up in the last two minutes and push over a touchdown. In this game Bexley made one of the few points after touchdown that she made all season to tie the game up at 7-7.

Marysville was taken into camp by the score of 13-0 on the hot, dry Union County field.

The Homecoming game with Grandview was won by the close score of 6-0, although the highly touted Grandview team never came within a close scoring distance.

The Bexley field was again drenched by rain before the game with Delaware and resembled a lake more than a playing field. Again the Lions led up until the last quarter when Johnny Miller blocked a punt, and Neutzling recovered on the Willis High one yard line. From here Bexley scored the lone touchdown of the day to win 6-2.

The game with Circleville was never in danger, and the Lions won by the comfortable margin of 24-6. The Circleville marker in this game happened to be her only touchdown for the entire season.

After a week's lay-off the Lions came back to defeat Upper Arlington by the margin of a safety, 8-6. This game was featured by the blocking of two punts by Brooke, Bexley right guard.

J. Miller, center; Stancliffe, guard; Neutzling, tackle; and Hofmayer, end, were awarded positions on the mythical All-Central-Buckeye first team. Cahill, halfback, and Knies, tackle, received places on the second team.

BASKETBALL

THE 1934-35 edition of the Bexley basketball team started the season with a bright outlook and finished it in good form; nevertheless, the season as a whole could not be considered a good one. One of the main reasons for this was the graduation of Captain Charles Startzman at mid-year.

After some fast, close games in the pre-season campaign, the Lions started out the Central Buckeye League season with wins over Delaware and Marysville. However this ended the league winnings for the Lions, although they did win quite a few other non-league games. The outstanding one of these was the post-season game won from Columbus Academy. In this game the Academyites led by 18-5 at the half, only to have a fighting Lion team come back and win the game, 21-20.

In the District tournament Bexley was defeated by Mt. Vernon, although she had been leading at the halfway mark by a sizable margin.

Bob Bailey, the only Lion cager to be mentioned, received a forward position on the All-Central-Buckeye second team.

Bexley shared the cellar position in the league with Marysville as both teams won two and lost eight in Central Buckeye competition.

BASEBALL

THIS year Bexley was joined by two other schools of the Central Buckeye League in supporting baseball teams. These two teams, Circleville and Westerville, were both beaten by Bexley, but there were still not enough C. B. L. teams to form a baseball league.

The season lid-lifter was a double-header with Greenfield, which the Lion diamonders lost by scores of 11-4 and 7-6.

After this upset the Lions started a winning streak which lasted over four games. They won from London 8-7, Circleville 12-2, defeated Westerville in a five inning game, 14-3, and took Central into camp in a hitting dual, 11-7.

The next taste of defeat was from the hands of Groveport by a 4-3 score. The Lions got back into stride in time to take Worthington, 4-0, but lost it again when they were set back by East, 5-1, in a District Tournament game.

In defeating London 4-1, this year's team set a precedent, for no other Bexley team has defeated London twice in one year. The team won a double header from Lancaster by the scores of 14-9 and 7-6, but dropped the final game of the season to West, 8-5. Thus the team ended the season with 8 victories and 5 losses.

First row, left to right: Bill Morris, George Brownewell, Russell Joseph, Capt. Will Hutchins, Jack Deering, Bob Bailey, Dick Emig.

Second row: Crayton Walker, Mgr., Milton Kimmelman, Bill Bradner, Bill Barnes, Dayton Henceroth, Dick Neutzling, Lloyd Shupe, Ed Hofmayer, Ned Blose, Willard O'Neal, Carlton Smith, Coach.

TRACK

THE Blue and White track and field men did not fare quite as well this year as their immediate predecessors, for they took only a second in the Central Buckeye League meet. Delaware took first to continue the see-saw battle which has occurred for the last four years, with Bexley and Delaware sharing the championship alternately.

The C. B. L. meet was held at Selby Field in Delaware, and with this as an incentive, the home-townners set to work and totaled 50 points. Bexley took second place with 35 points, but was pushed hard by Circleville, who accumulated 32 points. Westerville and Marysville were fourth and fifth, with 31½ and 16 points respectively. Grandview's three-man team did not place.

In this meet six C. B. L. records were broken, of which Bexley established two. Will Hutchins flashed over the 220 yards in 22.3 seconds, to beat the old mark by .7 seconds. The half-mile relay, composed of Joseph, O'Neal, Bradner and Hutchins, lowered the record of that race from 1:37.8 to 1:37.

Because of bad weather in the early spring, Bexley was forced to call off quite a few dual meets. The Lions did, however, take a thrilling meet from Westerville by the close score of 65-64. In a triangular meet with Chillicothe and Circleville, the team could do no better than a second, with Chillicothe walking off with first honors.

Upper left, left to right: Joseph, B. Bradner, P. Myers, Kull.
 Upper right: MacDonald, G. Burgett, Erlenbach, Arnott.
 Bottom: Hutchins, G. Brownwell, Hofmayer, Blose, F. Brownwell.

SWIMMING, TENNIS, GOLF

BEXLEY'S swimming team engaged in a dual meet at Greenfield, April 2, and came back with the short end of a 43-32 score. George Brownwell was the big point-getter for Bexley with firsts in diving and the 100 yard backstroke, and a second in the 50 yard free style.

In the 100 yard backstroke Brownwell took first, and Dick Bloss third. Bexley's 200 yard free style relay team, composed of Grosvenor, Blose, and Hutchins, was forced to second place.

Fred Brownwell and Ned Blose placed third and fourth respectively in the 100 yard free style; and the 150 yard Medley relay team composed of George Brownwell, Hofmayer and Hutchins, took first.

The tennis team got a late start and did not get in much practice in the early season. However, Jack Kull did win his way to the finals of the District Tournament, where he was finally beaten in a close, hard match.

The golf team was made up completely of juniors; this speaks well of the possibilities of next year's team. In the Greater Columbus League, they finished third and managed to finish in the same place in the Central Buckeye matches. They also won two dual meets over the London team and the Y. M. C. A.

The scores have been as follows:

Bexley 0	North 12	Bexley 11 1/2	London 1/2
Bexley 9 1/2	East 2 1/2	Bexley 11	Aquinas 1
Bexley 6	Grandview 6	Bexley 8 1/2	Y. M. C. A. 3 1/2
Bexley 2 1/2	Arlington 9 1/2	Bexley 1/2	Academy 11 1/2

In the league meet the teams ranked as follows: Circleville, Grandview, Bexley, Westerville, Delaware.

First row, left to right: Orleta Swackhamer, Jane Walsh, Anna May Althaus, Margaret Duddy, Esther Dean, Louise Howell, Constance Bryant, Virginia Harmon.

Second row: Gail Scheibel, Leona Manly, Miss Izora Scott, Elsie Schiefer, Betty Riffle, Dorothy Calahan.

Betty Marsh and Dora Barrett are "B" girls not included in the picture.

GIRLS' ATHLETIC CLUB

THE coveted "B" letters were awarded to the above girls by the Girls' Athletic Club in January at the regular monthly meeting. Although all of these letter-wearers are not seniors, they have succeeded in gaining 500 points, through participating in various sports.

The winner of the senior cup, which is given to the girl whom the club elects as the most outstanding senior in athletics, is Dora Barrett.

Bexley joined with Grandview in sponsoring a basketball Play-Day held at these two schools in April. The class teams of Upper Arlington, University High School, Grandview, and Bexley participated in this contest.

Inter-class tournaments in volley ball and basketball were played. The intramural tournaments consisted of volley ball, basketball, deck-tennis, shuffle board, and tennis.

The officers of the G. A. C. for this year are: president, Leona Manly; vice-president, Elsie Schiefer; secretary, Marjorie Landrum; treasurer, Jane Walsh; social chairman, Kathryn Mayer; senior adviser, Jane Huntington.

LAST WILL AND TESTAMENT (Continued from page 21)

"I, Richard Offenber, desire to will to my brother, George, my permanent excused absence slip!"

"At this time the author of this testament wishes to leave his scholastic record to anyone desiring a scholarship—to kindergarten.

"We, Fred Brownell, Richard Offenber, and R. Wendell Knode, bequeath all of our claims to Ann's affections to L. Riley. May it bring you happiness." (My, what equivocators they turned out to be.)

"We, Emerson and Betty, do relinquish our record of a four years' dating period to anyone who can better it."

"I, Clarence Isaac, being of a charitable nature, leave my penny savings, collected while engaged in pounding piano wire into submission, to those privileged to attend Mr. Tipton's classes, so that they may purchase pencils and uphold the precedent established by the class of '35; namely, not a senior without a pencil." (Wouldn't that be heaven, Mr. Tipton?)

"In witness thereof, we, the undersigned, have hereunto set our hand (and seal) this thirteenth day of June, in the Year of Our Lord Nineteen Hundred and Thirty-Five."

Robert Benzin, President,
Fred Brownell, Vice-President,
Betty Thompson, Secretary-Treasurer.

"We, the class of '35, hereby do appoint, and fully authorize our former music supervisor and dear friend, Mr. Kent S. Morse, as executor of this, our last will and testament."

Specialized Printing for Schools and Colleges : :

FOR years we have cooperated with teachers and students in the printing of high school and college publications. A variety of periodicals of educational institutions—year books, monthly magazines, newspapers and class books—are printed annually in our plant.

We operate the largest printing and book binding establishment in central Ohio and our facilities make available a complete modern service.

We have a trained staff of consultants whose years of experience in this specialized work enable us to offer valuable suggestions, advice and ideas in facilitating the work of school printing and solving its problems.

Further information upon request of faculty members or students in charge of publications.
